

MJF Awarded at Flint Lions Business Dinner

At this year's dinner Lion Ron Ellis, a Founder Member and the inaugural secretary of Flint Lions made a special presentation to the club comprising a portable PA system in memory of his late wife Jean who had been a long term Alzheimer's sufferer. Lion Ron said over the new microphone and PA set "that it was pleasing to be at a meeting at which the Lions were not presenting but receiving for a change".

The portable PA system was gratefully accepted on behalf of Flint Lions by President David Gregory.

After this presentation the tables were suddenly turned on Lion Ron when visiting District Governor Beryl Roberts was called upon to present him with a Melvin Jones Fellowship Award in recognition of 38 years of outstanding service to Lions International and the community at large. Lion Ron was speechless for a few moments but this did not last long before he picked up the new microphone to respond and give his thanks to the assembled lions and their guests.
